

## Complete Cleaning Transparency with CrowdComfort Cleaning Maps and Analytics

We want to partner with you to define, measure and validate your goals, creating healthy and safe environments for your employees. Cleaning Maps gives you full visibility and transparency into these cleaning efforts.

Real-time cleaning tracking by time, location and cleaning standard

Complete compliance documentation for evolving state and federal regulations

Updatable map display of office cleaning for employees (*#1 workplace re-entry concern*)

Training and implementation in less than 30 days across all stakeholders

Complimentary implementation by our team and cleaning crews

Full historical reporting by location, time, staff and compliance for your team

## How To Get Started

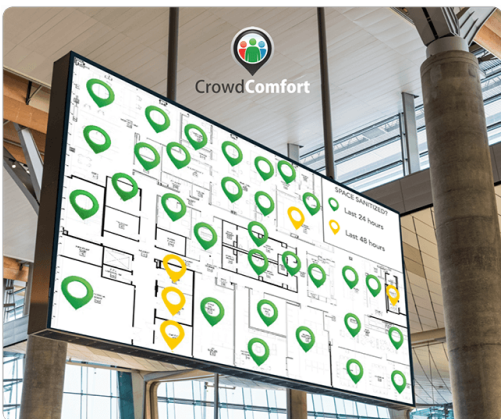

1 We help you define and validate cleaning strategy for every area of your space

2 We digitize your floor plans and complete the full installation on site with QR codes branded with your logo and branding

3 Our training staff uses system to confirm and validate every cleaning by each area's cleaning standards

4 We actively monitor every cleaning to ensure we meet cleaning standards and review your custom dashboards with your team
