

Digitize Your Cleaning Practices with a Complete Audit Trail and Real-time Validation

We want to partner with you to define, measure and validate your goals, creating healthy and safe environments for your employees. Cleaning Maps gives you full visibility and transparency into these cleaning efforts.

Real-time cleaning tracking by time, location and cleaning standard

Complete compliance documentation for evolving local and federal regulations

Updatable map display of office cleaning for employees (*#1 workplace re-entry concern*)

Training and implementation in less than 30 days across all stakeholders

Complimentary implementation by our team and cleaning crews

Full historical reporting by location, time, staff and compliance for your team

Getting Started with Cleaning Maps & Analytics

- 1** We help you define and validate cleaning strategy for every area of your space
- 2** We digitize your floor plans and designate your cleaning areas with optional QR Code installation on site
- 3** Our training staff uses a mobile device to log every cleaning by each area's specific cleaning standards
- 4** We actively monitor every cleaning to ensure we meet your cleaning standards and review data with your team

We at AffinEco, LLC are driven every day to apply our founding principles to the goal of meeting or exceeding the needs and expectations of our customers and employees. Our commitment to these principles which include integrity, effective communication, innovation and the others are not just words but rather the core of our business and the foundation of all that we and our employees do.
